

FPS/2017/0303

18 September 2017

Dear Parents/Guardian

P5 END-OF-YEAR EXAMINATION

In preparation for the coming end-of-year examination, please take note of the information in the tables attached. *Table 1* is the schedule of the examination and examination components, and *Table 2* shows the topics covered for the respective subjects. This information will aid you in supervising your child's preparation and revision for the assessments.

Please be reminded that as part of **Subject-Based Banding** your child/ward may be allocated a different combination of Standard and Foundation subjects in Primary 6 depending on his/her overall assessment outcomes this year. As briefed to parents previously, the school's decision on the subject combination will be final.

We seek your cooperation in ensuring that your child/ward is present during the end-of-year examination for **ALL** subjects.

If your child/ward is absent for the examination, his/her subject teacher will arrange for a make-up session. However, the make-up session will count only as a practice paper, and not as part of the end-of-year examinations. Marks will be pro-rated for pupils who submit their medical certificate (MC). A mark of zero will be given for pupils who are absent without a reason deemed valid by the school.

Please do not hesitate to discuss with the Form or Subject teacher of your child/ward should you have any concerns regarding his/her learning progress. Kindly acknowledge receipt of this letter by returning the acknowledgement slip to your child's/ward's form teacher.

Yours sincerely

Mr Koh Chin Thong
Principal

TABLE 1 : END-OF-YEAR EXAMINATION SCHEDULE

Weighting for End-of-Year Examination is 45% of the entire year			
Date of Examination	Subject	Examination Components	Duration of Paper
9-10 October 2017	English Language Mother Tongue Language	Oral Communication	To be conducted after school hours. Details to be provided later.
