"At MOE Kindergarten, our vision is to provide a strong start for every child.

Our mission is to nurture children holistically into confident learners with strong social skills, and a good foundation in literacy and numeracy."

Thank you for joining us on this journey!

## Goodbye 2019!

We have come to the end of 2019! MK@Frontier is very grateful for all the support given in our events and activities throughout the year. Thank you for making 2019 a memorable year for our children and families! Happy holidays and wishing you a great new year!

### Quote for thought

"Learning is a treasure that will follow its owner everywhere."

- Chinese Proverb

### Our Core Values

At MK @Frontier, we CARE

Confidence • Appreciation • Respect • Endurance

## Term 4 : Endurance

Children participated in various activities that develop their endurance!

Finding out about 'Endurance' through 'Current Issues' time

Having endurance during outdoor activities!

Planting also needs endurance!

### Supporting 'Endurance' at Home

Families can support and develop children's endurance by:

- ✓ Taking part in fun games that are challenging yet age-appropriate for them
  - ✓ Encouraging them to complete puzzles
- ✓ Praising their efforts and encouraging them not to give up!

## Happy Deepavali!

We celebrated Deepavali ('Festival of Lights') together in school! Children learnt the significance of Deepavali through a story and dance. They were also engaged in activities that provided them with opportunities to understand and appreciate the Indian culture.

Children were excited to learn about Deepavali!

It's time to show our wonderful costumes!

We love to dance with our friends!

Children enjoyed delicious Indian milk sweet and crunchy Omapodi.

Children learnt to make paper *oil lamp* and paper *thoranam*. They also learnt the significance of hanging the *thoranam* at the entrance of Indian house.

# K2 Celebrates 2019 – Joyful Journey!

To celebrate their learning and development, our K2 children brought us on a joyful journey throughout their 2 years in MK@Frontier! They re-enacted various memorable scenes ranging from classroom activities, field trips, and their participation in various events such as Chinese New Year and National Day. All the best to our K2 children as they embark on their new journey in Primary I!

# MK@Frontier's Outing to KidzAmaze!

MK@Frontier went for an outing as a school to celebrate the end of the school year! Children were very excited as they get to bond and have fun with each other at the indoor playground. At the same time, our children also got to develop and use their gross motor skills in a fun way!

### Big Book Title: Fried Eggs

After reading the Big Book, children retold the story by doing a dramatization of the book using the target sentence structure. They also drew and wrote down their favourite breakfast! Later, children were introduced to vocabulary words found in the Big Book through engaging activities!

## Hi-Light

### Learning Activity: Useful Cutlery

Children explored various cutlery when making their own 'fishball noodles' and practiced their counting skills as they pick up the different amount of ingredients. After which, they had the opportunity to invent their own useful cutlery!

# Field Trip to Jurong East-Joo Koon MRT Station

Children explored and found out more about the operations and features as well as safety aspects in the MRT station! They also experienced a train ride and observed people who worked in the MRT station.

### Big Book Title: Shopping for Deepavali

Children were introduced to vocabulary words from the Big Book such as stall, jewellery, dress, earrings, salesgirl, sweets and sparklers. They were engaged in an activity where they had to match the word card to the picture card.

In their small groups, children went to the Literacy Stations and participated in various activities that provide them with opportunities to listen to stories, role-play, read and write. Look at how enjoyable they were!

### Learning Activity: It's Recess Time!

Children visited the school canteen to experience recess time in the primary school. They practised queuing for food, interacting with the stallholders and using money to buy food. They also observed where the primary school children sit during recess time and how they clear their plates, bowls and cutlery after eating. It was an interesting experience for the children!

## Primary School Walkabout

Children had their first taste in experiencing primary school life by going on a primary school tour! At Frontier Primary School, they visited many places of importance and learnt about the purposes of each facility such as the school canteen, bookshop and even a Lost & Found area!

They met many friendly school staff and students who showed them around! The children interacted with them and had many of their questions answered such as, *"What is the general office for?"* and *"Where can we find our lost items in school?"*

## Frontier Library Visit

Children visited Frontier Primary School's library! They met the librarian and learnt about the do's and don'ts in the library such as using an EZ-link to borrow their books and to return the borrowed books by the due date. They certainly enjoyed themselves with the huge collection of books and made themselves comfortable with a good book on bean bag chairs!
